### Diploma

Government Polytechnic College

Jun 2017 – Apr 2020

79.75%

### Secondary Education

Sri Sai Charan High School

May 2016 -Mar 2017

8.3 CGPA

## Soft Skills

---

- Good Communication skills
- Ability to thrive in any environment
- Quick Learner
- Time management

## Technical Skills

---

Programming skills : Core Java, Java Script, JDBC

Databases : MySQL

Frontend : HTML, CSS

Frameworks : Hibernate

Embedded Systems

PDLC

Tools : Eclipse, VS Code.

## Projects

---

### Portfolio Website. [Try it](#)

Developed a responsive portfolio site using HTML, CSS, and bootstrap, showcasing diverse projects and skills. Applied modern web techniques for seamless user experience, highlighting expertise in front-end development. Key Learnings: Gained expertise in Frontend Development, Enhanced Creativity skills and knowledge in Designing

### Arts Website. [Try it](#)

Built a visually engaging Art's website using HTML, CSS, and JavaScript to showcase various creative works. Integrated interactive features and dynamic content to enhance user engagement. Ensured a responsive design for optimal viewing across different screen sizes and devices. Key Learnings: Strengthened skills in Web Development, UI/UX Design, and Creative Visualization.

### Wireless Battery Charging for Electrical Vehicles

The main aim of my project is to wirelessly charge the battery whenever a vehicle is placed. An IR sensor detects the vehicle and transfers power from the transmission coil to the receiving coil and Battery is Charged.
